

Supporting, Connecting & Developing Third Sector Leaders

“There is a real value to being involved in CO3, whether it is the opportunity to network, to have a safe space to discuss challenges specific to our role or in the strength we have together. CO3 has carved a niche in today’s busy environment where CEOs find a safe space to develop and collaborate. I think it is an essential part of every Third Sector CEO’s toolkit.”

Who We Are

Chief Officers 3rd Sector (CO3) is the one-stop-shop for Third Sector Leaders. Our support services give you the edge in terms of personal development and professional skills to positively impact on your organisation's sustainability and progress.

We help you to be the best that you can be.

A member-driven organisation founded in 1985, CO3 is the coming together of nearly 400 individual Third Sector leaders in Northern Ireland representing some of the largest charities and social enterprises through to small community and faith-based groups.

Prepare to Excel

CO3 is the only organisation of its kind in Northern Ireland.

We focus on you as an individual CEO or Senior Manager.

We offer bespoke services that address your specific areas of concern and personal development ambitions.

"This is a really challenging time for Third Sector leaders. Through CO3 I have access to other people who are in the same boat as myself, facing similar issues and challenges. I really value those peer connections. Knowing that you are not on your own and that you have additional support is what I value most from my membership".

RICHARD MAY, CHIEF EXECUTIVE OF ARDMONAGH FAMILY & COMMUNITY GROUP
